

Dear Friends,

I am reaching out to you today to invite you to partner with MESA Sharing. MESA Sharing is in the process of finalizing a 40 foot ocean going container of medical and school supplies for four medical facilities run by Christian MD's as well as supplies for Graceville Christian School in Jos, Nigeria.

Over many years, Dr. David Simon (MESA'S Chief Medical Officer) and his wife Gail have worked with Physicians in Nigeria. The Doctors and clinics that will benefit from this shipment are well known by our team and they are well established in the Jos Region. The physicians are followers of Jesus Christ and have a deep passion and love for their people in the midst of staggering hardship.

A number of years ago Rose and I attended a Torchbearer Bible School in Germany with Pastor Jim Piomoki who with his Wife Grace run Graceville Christian School in the city of Jos. This school is expanding and desperately needs supplies . We are including multiple pallets of school supplies that were donated from a local Pueblo children's ministry.

To learn more of the pressure christians are dealing with in the Jos region Pastor Jim recently sent this note on May 6th, 2021:

“Targeted killings and kidnappings are becoming widespread. As I speak, a Pastor friend and his entire family are currently taking refuge in my place because of reoccurring kidnapping incidents in their area which is less than 700 meters away from us.”

MESA is an all volunteer 501(c)(3) non-profit and we are dependent on the contributions of churches, individuals and various clubs to accomplish our mission.

We are currently raising funds to ship a container to Nigeria by the end of July 2021. The cost of shipping a container is \$8000. To date we have raised \$6,000. Full funding will be needed by July 15th, 2021 to secure the shipping container to be ready by the end of July .

If you have any questions please contact me at 541-435-4042.

With God's strength.

Aron J Boesl
President
